## S.O.U.T.H. AWARD

S.O.U.T.H. Students of the Month serve as exceptional role models at Rommelt Elementary School. They are students who *strive* to do their best and serve as leaders and role models for peers and younger students. They are *organized* and prepared for class each day with completed work and positive attitudes to learn. Students who earn this recognition *understand* and support others. They listen and share ideas and offer praise for a job well done. Respect is earned when students work as a *team* at Rommelt and encourage classmates to do their best.

It is an *honor* for the 5th and 6th grade teams to present the following students with this special award.

**MacKenzie Karasek**
