

South Williamsport School District NOTICE TO EMPLOYEES

Your employer is insured under the Workers' Compensation Act of Pennsylvania.

IN CASE OF WORK-RELATED INJURY OR ILLNESS:

1 REPORT THE INJURY TO YOUR SUPERVISOR PROMPTLY.

Failure to do so can delay your benefits or cause you to lose your rights to benefits.

2 OBTAIN MEDICAL CARE FROM THE DESIGNATED PHYSICIANS LISTED BELOW.

You must treat with one of these panel providers for a period of 90 days. Except in extreme emergency, if you go to a non-panel provider, the bills may not be covered by Workers' Compensation. If a panel provider refers you to another physician, bills will be covered.

If a panel provider recommends invasive surgery, you may obtain a second opinion from a non-panel provider at your employer's expense. If you elect to follow the treatment recommended by the non-panel provider, the treatment must be rendered by a panel provider for 90 days from the date of the visit to the non-panel provider.

After 90 days, you may go to a licensed practitioner of your choice if you still need medical care. Your bills will be paid if:

A. You notify the Claims Department about the new physician within five days of your first visit by calling **800-880-7963**.

B. Your doctor files the required reports (first report within 10 days of commencing treatment, monthly reports thereafter).
