Check appropriate box. New Employee/Initial Form Change of Resident Address

Instructions to Employees: Complete Sections 1 & 3 and return to your employer at time of employment or change of permanent address.

Instructions to Employers: Complete Section 2 of this form to obtain accurate employee address information for use in completing the local quarterly or monthly EIT return. Also determine the correct PSD Code and Withholding Rate for the employee's domicile address in Section 1 and the PSD Code and Withholding Rate for the work location address in Section 2. Keep this form for your records together with Form W-4.

Purpose

Completion of this certificate will allow your employer to provide the local tax collector with the information required to distribute the local earned income tax withheld from your paycheck to the correct municipality and school district. You need to provide your employer with your **DOMICILE** address (i.e. permanent/principal physical address). This address may differ from your mailing address and/or the address provided on Form W-4.

Determining Your Domicile

Most individuals have just one principal place of residence and can easily determine their domicile by considering the following characteristics of one's domicile. A domicile is:

- A permanent home to which you have the intention of returning to when absent
- A voluntary fixed place of habitation that is not for a special or limited purpose
- A fixed place of habitation which you consider to be permanent rather than temporary

If you can determine your domicile using the above criteria go to **Section 1**. If not, read on.

You may maintain two or more non-temporary residences and will have to select one of those permanent residences as your domicile since you can only have ONE (1) domicile. To accomplish this, the domicile should be determined based on the place where you have the greatest connections.

The permanent residence with the greatest connections is generally where you:

- Fulfill local tax obligations
- Are registered to vote
- Maintain a driver's license and vehicle registration
- Obtain a homestead or farmstead exemption on property
- Declare residency for licenses, income tax returns or school tuition
- Spend the greatest amount of time

Your domicile does not change until you move to another location with the sincere intention of making your "new" permanent home there and abandoning your previous domicile. File a new certificate with your employer at the time this occurs.
